Professional Electrician | Certified in Domestic & Industrial Installations

Phone: +254 786644748 | Email: stevesagini17@gmail.com | Location: Kisii, Kenya

## Profile Summary

Certified and experienced Electrician with a solid background in domestic, commercial, and industrial electrical systems. Specializes in wiring, maintenance, solar installations, and electrical safety compliance. Known for precision, integrity, and the ability to work independently or in teams to deliver high-quality results.

## Key Skills

- Electrical wiring & installation (single-phase & three-phase systems)
- Circuit troubleshooting and repair
- Solar panel installation & inverter setup
- Maintenance of electrical appliances and machinery
- Interpretation of electrical blueprints and technical drawings
- Electrical safety inspections & compliance
- Use of multimeters, testers, and diagnostic tools
- Generator setup & backup systems
- Smart home automation basics
- Customer service and client communication

## Work Experience

Electrician – Jua Kali Contractors, Nairobi

Jan 2021 – Present

- Installed and maintained electrical systems for over 30 residential and small business clients.
- Led solar installation projects, reducing client power costs by up to 40%.
- Handled emergency repair calls, restoring power within minimal time.
- Conducted electrical audits and offered upgrade recommendations.
- Trained two junior electricians on safety and modern wiring techniques.

Apprentice Electrician – PowerTech Solutions, Kisii

Aug 2019 – Dec 2020

- Assisted in rewiring of buildings and small industrial plants.
- Gained hands-on experience in inverter systems, earthing, and cable laying.

- Performed safety tests under supervision.
- Developed a strong work ethic and attention to detail.
